Summary Information	Announcement Regarding New Resin Facility of Polisan Kimya

ADDITIONAL EXPLANATION:

Our subsidiary Polisan Kimya has announced that its new resin facility has become operational and that production capacity is foreseen to increase by thirty percent with the commissioning of the new facility. High value-added resin production will be carried out at the Leed certified facility, which has Industry 4.0 infrastructure and more flexible production capability through universal reactors.

We hereby declare that our above statement is in conformity with the principles included in the Capital Market Board's effective Communiqué on Material Disclosures; exactly reflects the entire information we received on the subject/subjects; the information complies with our records, books and documents; we have endeavored to obtain the correct and complete information relative to this subject, and we are responsible for the declarations made in this regard.
